## YARN SWAP

11-5pm Sat, 11-4pm Sun

We all have those unwanted, unloved skeins languishing in our stashes. Maybe the colourway isn't to your tastes or the fibre content is something that irritates your hands. There's nothing 'wrong' with the skeins. You just won't use them.

Never fear! Yarningham has teamed up with 2 of our local guilds to offer a YARN SWAP as part of Yarningham 2024.

Bring along your unwanted, unloved skeins and balls of yarn and swap them for something that you do love and want.

Members of Birmingham Weavers Spinners and Dyers and Birmingham Knitting and Crochet Guild will be manning the swap and ensuring that the swaps are fair.

## THE RULES

- Please only bring complete skeins or balls of yarn. No leftovers or scraps please.
- Yarn needs to have a high natural fibre content. No 100% acrylic please.
- You can swap up to 5 items/lots. 2 skeins of the same yarn would count as one item/lot.
- Any items left un-swapped will be sold via Ravelry and our social media channels. All monies raised will be donated to our nominated charity Anawim.
