## First Floor @Yarningham

Designer showcase on the first floor, featuring independent stitch-based designers with kits, patterns, books, etc.

## SAAC drop in activity

South Asian Arts Collective will be facilitating an all-day activity where the audience will be able to collaborate on a stitch-based textile artwork.

## Yarningham Triathlon

Celebrating the Commonwealth Games taking place in Birmingham, the Yarningham Stitch Triathlon will have 3 events - knitted fruit and spoon race, knitted javelin and pet agility featuring your own knit, crochet or stitch pet.

## Scavenger Hunt

Find clues and objects around the venue to win prizes.

## Festival games of chance and skill with prizes galore

Think Midsomer Murders village fete (without the murder!), with a yarny spin. Lots of prizes to be won.

## Yarn Fortune Teller

Cross our fortune teller's palm with silver and find out what's in your yarn future.

## Demonstrations

Birmingham Guild of Weavers, Spinners and Dyers will be in the marquee giving demonstrations. Some of the First Floor designers will also be demonstrating their skills.

## Social Space

Located in the marquee, the ideal space to sit, have a piece of cake, check your shopping list, and meet up with friends.

## Yarn Winding Station

Haven't got a yarn winder at home? Wind your new yarn at our winding station in the marquee.
